BG's Progress Signs— Library, Science Complex

Construction is scheduled to begin soon on phase one of the new University Library, probably the most exciting addition to the campus in recent years. The Library will incorporate all the concepts of design and function that have been developed since the old library was built.

A growing demand in the state for education and research in the sciences will be met partially by BGSU with the development of the science-research complex. This group of buildings, to be erected in three phases, is scheduled to be constructed after the library.

"The science-research complex will foster an obvious development of the sciences," said Dean Archie H. Jones, of the College of Liberal Arts and chairman of the complex's planning committee. "It will provide for cross-fertilization of ideas among students and faculty. Many will catch the excitement of discoveries."

The new library will do away with the traditional library browns and grays, the uninterrupted rows of books and the dark mahogany service counters. In their places will be brighter colors, lounge furniture, and in lieu of the traditional large reading room, small clusters of tables and chairs for small groups. Wide, well-lighted aisles will divide the stacks.

"As the university places increasing emphasis upon individual study and research, the BGSU student will spend more of his time in the library," predicted Assistant Professor A. Robert Rogers, Director of the Library.

According to campus planners, the library and the science complex may well become the academic heart of the future Bowling Green State University. They will identify the university as a researching as well as a teaching institution.

Bowling Green Aims for Undefeated Season

Winning the 1964 Mid-American Conference title was the big goal of the year for Bowling Green State University's football squad but Coach Doyt Perry now has another one in mind for the Falcons.

"We will now be trying to go undefeated," Bowling Green's coach said after his club had topped Marshall 28-0 here last Saturday to claim the crown.

The second goal may prove to be quite an accomplishment for Perry's forces. In his 10 seasons at Bowling Green, he has won five conference championships but has gone undefeated and untied only once, 9-0, in 1959.

Bowling Green will be after its ninth straight win of the year today as the Falcons entertain Ohio University, the 1963 league champions. "We will be up for this game. I doubt if our players have lost their incentive," Perry said.

Determination is an easy thing to build for an Ohio University contest. Since 1959, either the Falcons or the Bobcats have won the MAC crown so there is always plenty riding on this game. Last year, Ohio blanked Bowling Green 16-0 at Athens.

Perry had high praise for his championship team calling it a "balanced squad". To back up his statement, he said that the Falcons have fast and powerful backs, strong passing and fine punting plus a defense that is getting better.

The statistics show the Falcons do have all these attributes. They have outscored their opponents by a margin of 240 to 59 points. In the last three games, the opposition has scored only 18 points.

Individually, eight players have scored 12 or more points for Bowling Green. Halfback Jay Cunningham is leading the way with 42 while fullback Stew Williams has 30 and place kicker Jerry Ward 27. In the rushing department, a

total of seven players, Williams, Cunningham, Tony Trent, Jim Wisser, Tom Reicosky, Bob Pratt, and Jim Goings, have all rushed for 100 or more yards.

Ward, of course, is enjoying his finest season as a Falcon passer. He has connected on 46 of 89 passes for a completion percentage of .517 while totaling 616 yards. For his career, he has now attempted 241 passes, and completed 114 for 1,625 yards to hold every BG record.

Today's game is the final home appearance of seniors, Cunningham, Mel Foels, Jerry Harris, Ken Hockman, Jim Jones, John Larson, Tony Lawrence, Norm Limpert, Reicosky, Lynn Robinson, Tom Sims, Trent, Ward and Wisser.

This group has helped compile a three-year record that currently stands at 23-3-1. During these three years, the Falcons have won two championships and finished third the other season.

Ohio University's Bobcats Field Strong Unit

The Ohio University Bobcats, after starting the season in slow fashion, came on strong to win two games in a row before being nipped 13-8 by Western Michigan last Saturday.

Today's overflow crowd of somewhere in the neighborhood of 14,500 will be seeing a veteran Ohio team on the field. Coach Bill Hess started the year with 23 returning lettermen and nine of them are scheduled to be in the Bobcats' offensive lineup.

Several outstanding players including All-Conference selections end Ron Fowlkes, tackle Ron Stepsis and center-linebacker Skip Hoover are set to go.

Hoover, who has been groomed as an All-American by Ohio University, should provide BG's fine fullback Stew Williams with plenty of problems. Hoover, a senior who stands 6-2 and weighs 230, roams at inside linebacker which happens to be the spot where Williams gets most of his running room.

In the backfield, Hess is currently starting senior Larry Bainter at quarterback, Mac Wagner and Jerry France at the halfbacks with Wash Lyons, a fine, driving sophomore, at fullback.

Bainter took over at the signal-calling position during the middle of the year and has turned in a good job. In three Mid-American games, Lyons, 185 pounder, has carried the ball 78 times for 383 yards and a 4.9 average.

Ohio won the 1963 league title by finishing one-half game ahead of Miami's Redskins and one game ahead of the Falcons. In the final statistics, the Bobcats ended up third in team offensive and fourth in defense.

However, halfback Jim Albert, an All-Leaguer, won both the conference's scoring and rushing titles. He scored 48

points to tie with BG's Jay Cunningham and Miami's Tom Longworth and gained 612 yards to take the rushing crown.

Albert scored once last year as the Bobcats topped Bowling Green 16-0 in Ohio's stadium. That marked the first time in the 16-game series that Bowling Green has ever been shutout by the Bobcats.

Hess, currently in his seventh season as Ohio's head coach, has compiled a record of 45-19-2 with the Bobcats. Since 1959, either Bowling Green or Ohio have won the Mid-American football title.

BG annexed crowns in 1959, 1961, 1962 and 1964 while the Bobcats came through in 1960 and 1963. Aside from Bowling Green's Doyt Perry, Hess has been the most successful coach in the conference. He quickly built the Bobcats into a major power in the league.

BG's Footballers Maintain Good Grades

Just how well do Bowling Green State University's football players do in the classroom? This question is often asked as fans watch the Falcons on Saturday afternoon.

The campus' general accumulative academic average is about a 2.4 while the 60 members of this year's football squad have a 2.3 average.

Backfield Coach Bob Dudley, who also serves as coordinator of the Falcons' grades, said, "during the 10 years I've been here, I can think of only two or three players who haven't graduated. This may well be one of the best records in the country and on top of that, 90 percent of them graduate with their class."

Bowling Green has surely had its share of outstanding football players and many of them have also established fine marks in the classroom.

Tackle Bob Zimpfer, who was BG's co-captain while earning All-Ohio and All Mid-American Conference honors during the 1958 and 1959 seasons, was nearly a straight A student. Zimpfer passed up some professional football offers to go into teaching. Gary Sherman, the Falcons' 1962 co-captain who was drafted by the Cleveland Browns, was a fine mathematics student.

This year's tri-captains, Jerry Ward, Tom Reicosky and Jim Wisser are the leaders on the field while turning in some good scholastic efforts. Ward has a 2.7 in economics, Reicosky a 2.6 in biology with Wisser at 2.2 in health and physical education.

"The far majority of our players are good, average students with only about eight or nine giving us any problems" Dudley said. "We have had our share of outstanding, average and poor students but over the years, we have rated slightly above the campus average."

"In the first place, we don't want players who won't work. We are interested in students with good character who will try in the classroom," he said.

The veteran Bowling Green coach said that players aren't provided with a tutoring crutch. "The most helpful thing we have done is provide a type of counseling service that shows personal interest in each player," he said.

Dudley also pointed out that in this way the coaches are aware of the grades of each individual player. "We are very seldom surprised by anyone's grades and the players have responded to this very well."

For the students who do need help, a study table is provided from 7-10 p.m., starting at mid-term. "Many incoming students, including football players, have trouble in English. For this reason, I have prepared a short brochure on English that is offered to all the freshmen at the beginning of the

year. It clears up the common mistakes that entering students make," he said.

Dudley made it clear that the 60 football players do classroom work that compares very favorably with that of the other 9,000 Bowling Green State University students.

PENNY EDWARDS—"MISS TIPARILLO"

What does she mean "cigars...cigarettes...Tiparillos"?

You'll be hearing that chant more and more—now that Tiparillos have arrived. And arrived they have. In all the right places. With all the right people.

The new Tiparillo has a neat, trim shape. It looks young and debonair. And its pearly, pliable tip pays more than lip service to your smoking pleasure.

And never before such mildness! The most careful blending of choicest imported tobaccos has seen to that. So, too, has the exclusive, veinless Ultra Cigar Wrapper* that burns so evenly and smoothly it insures complete mildness.

You can even see the mildness. The

surprisingly whiter ash is visible evidence. Smoker's proof. Here is flavor you don't have to inhale to enjoy.

"Cigars . . . cigarettes . . . ?" Who knows, maybe someday it will be just "Tiparillos!"

Why don't you ask for one today?

BG's Marching Band Does Final Show Today

Bowling Green State University's marching band will be performing two feature numbers today as part of its final appearance of the 1964 football season.

Head majorette Jeannie Wince will be featured in a twirling number while the entire group of majorettes will be in a dance skit done to "Me and My Shadow".

This year's majorettes are Linda Estrate, from Garfield, Heights; Susie Karcher, Columbiana; Fay Zuccato, Cucamonga, California; Mary Martin, Columbus; Jeannie Wince, Ravenna; Sherry Bradley, Canton; Barbara Gindlesberger, Millersburg; and Lonna Dangler, Paulding.

Today's band show will be a seven-minute performance called "Designs in Rhythm". The band will go through various drill patterns while playing the numbers included within the show. The band will close its season by forming the traditional BG monogram and playing the alma mater.

"I think we have had a highly successful season. This has been the best band we've had largely due to the added number of freshman players," Director Roy J. Weger said. He also wishes to thank this year's football audiences for their loyal band support.

As part of today's final show, the Ohio University marching band will also be performing. The Bowling Green band has made away appearances at the Toledo and Miami University games.

A highlight of the marching season occurred when the band performed during the halftime ceremonies of the Detroit Lions-Baltimore Colts National Football League game in Detroit.

The band had a six-minute show that was shown nationally on CBS television. This is the third time that the Bowling Green band has marched in Detroit but the first time in the last four years. CBS is sending the band a color-sound movie of its performance.

Doyt Perry: The Winningest

PERRY OWNS NATION'S BEST COLLEGE RECORD

An average of only one defeat a season—this is the tremendous record established by Bowling Green's head coach Doyt Perry as he moved into his 10th season as director of the BGSU football fortunes.

For the third consecutive year, Perry leads all major college coaches from the standpoint of winning percentage. Perry, who has never lost more than two games in a season at Bowling Green, has established a college percentage of .860 while marking up a record of .809 in 20 years of coaching including 11 in the high school ranks.

No other major college coach has a percentage of over .800. John Vaught from Mississippi and Nebraska's Bob Devaney are the closest with records of .789 and .785 respectively.

In nine seasons as the Falcons' coach, Perry has run up a record of 68 wins, nine losses and five ties. Among the nine coaches who have handled the Bowling Green reins since football started here in 1919, Perry has by far the top record. He has won more games than any other coach in the history of the sport at BG.

In the Mid-American Conference, Perry's teams have been somewhat similar to the Yankees as they have walked off with four championships and finished as runnerup three times. Last year tied a low water mark for a Perry-coached squad in the Mid-American as the Falcons "slipped" to third place with a 4-2 record. Perry's teams annexed conference titles in 1956-59-61-62.

Outside of the league, Perry's record borders on phenomenal with a mark of 27 wins in 28 starts. A 23-7 defeat to West Texas in 1962 is the only blot on the slate. Along with the record, Perry coached Bowling Green's 1959 team to the Washington Touchdown Club award as the national college division champion. Twenty-eight of his players have been awarded all-Ohio and all Mid-American recognition while two, Bernie Casey and Bob Zimpfer, were little all-Americans.

Perry compiled an equally exciting record in 11 years of high school coaching. Starting at Lorain Clearview in 1937 and moving to Upper Arlington in 1943, Perry put together a record of 73 wins, 23 losses and six ties. His lifetime coaching totals read: 141 wins, 29 losses and 11 ties for a .809 winning percentage.

BG's New Computer is Fast and Accurate

In 1954 a Bowling Green State University professor conducted a research project which involved more than 3,000 man hours for the statistical calculations alone. Fortunately, the University was able to hire two assistants to help him with his tabulations.

In 1964 the same professor would be able to complete all the statistical calculations in less than half a day.

Many operations, including those of registration, business transactions, grading, and research, will be performed more economically, quicker, and with considerably fewer man-hours, with the development of the University Computer Center.

The IBM 1620 computer, nucleus of the Center, already has been used to process grades and assist faculty members with their research, as well as students with classroom assignment and projects.

Before the Registrar's office began using the computer, grade point averages were not calculated for all students. "Although BGSU was much smaller 10 years ago (enrollment 3,707), the time involved made it impractical," said Glenn Van Wormer, Registrar. "We figured averages only for students who were thought to be eligible for honorary organizations or awards, or for students who were on the border line of passing.

"Scheduling student classes by computer will be possible in the foreseeable future," Mr. Van Wormer said. "It is conceivable that at some future date the computer also will help advise students. It can be done in this way: a student will mark his major field and courses he has taken on a card and the computer will then assign him to other required courses in his major field, listing class number, and time and place it meets.

"Certain electives could be recommended by the computer on the basis of those that would best complete the student's education. However, thousands of units would have to be added before this could be done. With the present facilities, studies which evaluate factors influencing student accomplishment can be handled by the computer."

Most frequent users of the computer have been students in mathematics and business courses whose assignments have involved the computer program. A business student, for example, may simulate the operations of a business firm, determine price rise and fall, business profit and loss, payroll, expenditures, and other information, and arrive at a final gain or loss figure for a specified period. Faculty members use the Computer Center for statistical, mathematical, or scientific calculations in connection with their research and teaching.

Dr. Joseph K. Balogh, Professor of Sociology, completed research on capital punishment using the computer facilities at Marathon Oil Co. He now will carry on this phase of his research at the University.

Grading examination papers represents another important use of the computer. Since only a few minutes of computer time are involved in grading tests, this represents a highly economical use of the computer.

To grade a test, a "program" must first be fed into the machine. These programs, which are available on punch cards, are distributed by IBM libraries, filed, and re-used. The program for grading tests consists of items which the professor wants to know, such as number of students answering each question correctly, individual scores, median scores, averages and additional information.

The University's computer is a medium-sized model with a capacity of 20,000 core storage positions for its internal memory. Additional units may be purchased, bringing its maximum capacity up to as many as 100,000 core storage positions.

The Computer Center is administered by Mr. Richard C. Neumann under a University-wide budget. It is maintained as a service to the University and is not attached to a specific department or college. At present, the Computer Center operates on a 60-hour week basis. At peak seasons it also may be used nights or weekends. It may be necessary to operate the Center on a round-the-clock basis within a few years as demands on it increase.

The Computer Center's Director Richard C. Neumann explains some details to a student.

Plymouth roars into '65 with 4 great new sports!

'65 Sport Fury

The biggest, plushest Plymouth ever.
A brand-new "ultra-everything"
Plymouth that's still solidly
in the low-price field.

'65 Valiant Signet

The compact that hasn't forgotten
why you buy a compact. Still the best
all-around compact, proving that
Valiant didn't have to go big-car
in price or size to give you
big-car performance.

'65 Belvedere Satellite

A new way to swing without going out
on a limb. For the buyer who knows that,
when it's Plymouth, pride of ownership
can still go hand-in-hand with low price.

'65 Barracuda Fastback

The fast-moving fastback at a spectacular
low price. America's best combination
yet of sports-car look, youthful vitality,
all-purpose versatility, and all-around economy.

Falcon Swimmers and Wrestlers Open Dec. 5

Swimming co-captains Mike Zinn and Dan Weller

Champion Wrestler Dennis Palmer

During the first week of December, the Bowling Green State University wrestling and swimming squads will both be opening their 1964-65 seasons with high hopes of improving on last year's records.

Wrestling Coach Bruce Bellard said, "we'll be better than last year if we can stay away from injuries. This is one of the better teams we've had because of its experienced personnel and balance."

Swimming Coach Tom Stubbs said, "we can't help but be stronger—a lot stronger. We should be improved in each event with our first and second men turning in faster times."

Bellard, in his 11th year as the Falcons wrestling coach, has nine lettermen back this year including the conference's 157-pound champion Dennis Palmer. The other veterans are Nick DelPizzo, Dave Kile, Dick Lee, Jim Moore, Bill Protz, Butch Wombold, Bob Maurer and Mel Foels.

The wrestlers finished at 6-5 in 1963-64 as they topped Findlay, Eastern Michigan, Toronto, Western Ontario, Notre Dame and Western Michigan. Miami, West Virginia, Ohio University, Toledo and Kent defeated the Falcons.

Aside from Palmer, who compiled a 10-3 mark last year, three of the other veterans, Wombold, Lee and Foels, placed well in the MAC matches. Wombold was third in the 137-pound class, Lee was runnerup at 177 and Foels was fourth in the heavyweight division.

The swimmers finished with a record of 5-8 in 1963-64 and ended up fourth in the MAC championships. BG scored wins over Kenyon, Detroit Tech, Ball State, Kent State and Grove City.

Stubbs in his second season as BG's swimming coach, is working with seven lettermen this year including his co-captains Dan Weller and Mike Zinn. The other veterans are Bob Leuten, Paul Schreiber, Bud Stout, Mike Symons and Bill White.

Eleven new BG records were set last season with the returning lettermen responsible for 10 of them. Lueten set three with his times in the 500-yard freestyle, 1,650-yard freestyle and 200-yard butterfly.

Lueten was third in the MAC's 1,650 and fourth in the 400-yard individual medley while Schreiber was second in both the 100 and 200-yard backstroke. Symons took a fourth in the 1,650 as Weller finished fourth in the 100. Zinn was third and fifth respectively in the 200 and 400-yard individual medleys.

The fans of Bowling Green's wrestling and swimming squads will have a chance to see just how strong each team is when they perform during their first home contests. The wrestlers entertain Findlay on Dec. 8 while the swimmers wait until Dec. 12 to go against Central State.

From your halls of ivy
 To the campus scene,
 Chimes ring out with gladness
 For our dear Bowling Green.

When all is just a mem'ry
 Of the by-gone days,
 Hear our hymn dear Alma Mater
 As thy name we praise.

Falcons Ranked 29th Among Major College Powers

BG Climbs Three Places

Bowling Green State University continues to move up the list of all-time college football powers as the Falcons climbed into 29th position after finishing the 1963 season with an 8-2 slate.

This record was good enough to push Bowling Green's all-time percentage from .619 to .627 and enable the Falcons to pass Tulsa, Wisconsin and Utah in the ratings. In 45 seasons, BG has now played 361 games and compiled a record of 205-114-42. Another milestone was reached last year as the Falcons gained their 200th win.

Three of this year's opponents, Miami, Xavier, and North Texas State are ranked in the top 40. Miami is 20th while Xavier is 34th and the Texans rest in 38th position. For the record, more teams in the top 40, four, are from Ohio than from any other state, proving once again that some excellent football is played in the Buckeye State.

The national leaders in other statistical departments are:

Most Seasons: Princeton, 94.

Most Games: Pennsylvania, 858.

Most Wins: Yale, 594.

Most Losses: Pennsylvania, 268.

Most Ties: California, 54.

Best Percentage: Yale, 767.

MEET THE FALCONS

1. JAMIE RIVERS (81)—Rivers, only a sophomore, stepped right in as one of the Falcons' starting ends this season. He has seen considerable action as both an offensive and defensive end. Through the first eight contests, Rivers has caught seven passes for 107 yards and one touchdown. He is capable of being one of the finest ends in the school's history as he is a big, strong player with good hands and speed. As a freshman letterman, Rivers caught five passes for 120 yards. He was a second team All-City selection at Youngstown South. Rivers also lettered for three years as an outfielder. As a boy, he played in the Pony League World Series.

2. BILL TOTH (62)—Early in the season, Toth established himself as one of Bowling Green's starting linebackers. He missed the Kent State contest with a knee injury but then bounced back strong against Miami the next week. Toth is a big, strong linebacker who stands 6-0 and weighs 220. He was an outstanding guard at Toledo Central as he won both All-Ohio and All-City honors with the Fighting Irish. He lettered for four years in football while earning three as a shot putter on the track squad. Toth is enrolled in the college of education where he is majoring in biology and health and physical education. His coach at Central was Tom McHugh who is now coaching at Xavier, next week's opponent.

3. JERRY HARRIS (67)—Harris has been seeing some action this season as a reserve guard. The 215-pound senior from Miamisburg High School has been a member of the past two Bowling Green squads. Harris turned in a fine record at Miamisburg as he lettered in three sports, football, track and basketball. He captained the Vikings in football as well as taking All-League and third string All-Ohio honors. Harris won a total of seven letters. As a trackster, he was the district champion in the discus. He is in the college of education.

4. LYNN ROBINSON (42)—Robinson, a reserve fullback, had his finest hour as a Falcon during this year's Western Michigan game at Kalamazoo. The regular outside linebacker was hurt and Robinson was installed at the position. In the third period, BG was ahead only 14-8 when Robinson intercepted a pass and raced 33 yards for a touchdown to give the Falcons a far more comfortable margin. He has seen more action this season than in his previous two. This year, Robinson has carried 11 times for 57 yards. In his past two years, he carried the ball 12 times for 43 yards and one touchdown. He was a second team All-League selection with the Bryan Golden Bears as he lettered three years.

5. JOHN LARSON (86)—Larson, a senior who stands 6-2 and weighs 190, has seen considerable action this year as a defensive end. He missed some of the early season drills when he was injured. It was like old home day this year when Leo Strang brought his Kent State Golden Flashes to University Stadium. Larson played under Strang when he was coaching the famous Massillon Washington Tigers. Larson lettered for four years as a quarterback with the Orange and Black. He is in the college of liberal arts, majoring in history and philosophy.
